Certified Network Relocation
Specialist - CARTUS

Erin Mendenhall was born and raised in Northern Virginia. As a real estate agent licensed in Virginia, the District of Columbia and Maryland, she lives out her personal mission to "serve and impact the lives of others" in the metropolitan community.

Erin's local expertise uniquely qualifies her to counsel her clients on conducting real estate transactions with the goal of improving their financial wellbeing. Over 22 years of sales and business experience enable her to negotiate a successful outcome for her clients. With over 98% of her business coming from personal recommendations, her success rate and reputation is without question. She launched her business in April 2006, and won rookie of the year for home sales production. Since then, in her 10 years of real estate, Erin has been awarded top honors of sales achievement and leadership every year.

Erin is deeply committed to serving others. She has been active on many Non-profit boards serving the Arlington community. As a board member of the Arlington Street People's Assistance Network, (Helping the Homeless) she believes that people without homes deserve shelter. The care of our community's seniors is also a deep passion for Erin and she volunteers in the senior program of Arlington County.

Demonstration of Erin's strong belief in mentoring is shown through volunteer work with Big Brothers and Big Sisters and with Leadership Arlington. Following her graduation from Leadership Arlington in 2010, Erin helped the organization develop an initiative to train young professionals serving in Arlington. She is a founding member of the Young Executive Society for the Tower Club. She is also a current board member of the Optimist Club of Arlington, dedicated to "bringing out the best in kids" through numerous programs.

Erin Mendenhall always welcomes the opportunity to connect with neighbors in Virginia, D.C. and Maryland to discuss their real estate goals. She can be reached at 703.919.4003 or erin@mendenhallproperties.com.
